

vCam Inspection Products Accessories

Reel and Control Module Accessories

Be more productive on-site with these accessories designed for the vCam camera systems. Our range of camera skids will help to get the most out of the camera head and protect your investment. Contact your local distributor or visit our website at www.vivax-metrotech.com for more information.

Rotate and Tilt Table

The Rotate and Tilt Table (RATT) - mounts between the Type-CP reel and the vCam-6 HD control module. The RATT adds flexibility to position the control module to a comfortable viewing angle.

Available for: vCam-6 to use on the Type-CP Reel

Drip Bags

Reel Drip Bags - use the durable, nylon material drip bags when entering a building, home or other clean areas. Use the drip bags to ensure that liquids or debris will not fall from the reels onto a clean surface.

Available for: Type-CP and Type-MX Reels

Extended Length Interconnect Cable

Extended Length Interconnect Lead - increases the distance between the reel and control module to 26 feet. The standard lead is 12 feet. The extended lead is 26 feet in length.

Available for: Type-CP and Type-MX Reels

Reel Carry Bag

vCamDrain Reel Carry Bag - This durable 1680D Ballistic Nylon bag comfortably fits the reel and its accessories. A padded compartment will fit a tablet in a tough case, while the open pocket will fit the charger and other tools.

Available for: vCamDrain

Tripod Mount Adapter

Tripod Mount Adapter - This adapter attaches securely to the open end of the vCamDrain reel. The mounting thread of the adapter fits the popular size tablet and phone holders.

Available for: vCamDrain
